### Buffalo Envy's Very Tentative Event Listing.

We try to get our schedule set before our team placements however the event producers have not finalized their schedules so we cannot finalize ours. Events highlighted in green are definite events at this time. We also work with all local high schools to avoid conflict with ECIC's, Sectionals and States. At this time we are considering International Events on our schedule to keep our programs options open on the International Level as well. We will not know what Summit we will attend until we know our program number and the divisions that we select our teams to compete in. Once our teams are set and the event producers event dates are set we will finalize our schedule. These are the events that we will be attending and considering attending. We will not attend all of them but these are the ones we will be selecting from.
