We will announce at a later date which one we will attend and what teams that will attend if needed. It will be based off team needs and end of the season event we may attend.

Any end of the season events that require a qualification will be an additional charge to attend. We will host many fundraisers to help pay for this for our athletes.

The Regional Summit is an event that all of our teams can qualify for. We will know more information about this event once it is released. The information is still not available.

The Cheerleading Worlds: Any team that receives a bid to the Cheerleading Worlds will attend. This event is for Level 6 teams only! April 23 – 25, **2022**. Cheerleading Worlds, Orlando

The Summit Championship: Any team that receives a bid to The Summit will attend:

The Summit is only for Senior and Junior age teams.

Summit Championship: April 28-May 1, 2022!

Any team that receives a bid to The One or Youth All Stars Worlds we will consider attending. If teams receive multiple bids to events in Orlando, we will only attend one of them with that team.

With many teams in our program there is a chance that certain teams at our program might qualify for different events. We will always keep our athletes, families and coaches at the forefront of our decision for attending an event. As an organization we have always weighed out our options and we will continue to do so. The events have not all posted their event schedule and the pricing and event rules will also be a determining factor.
