# INSTRUCTIONS ON HOW TO ORDER PHOTOS

Ordering from PC is recommended

1. Select any photo you want to order from
2. Click “**Shop Now**”
3. Select a “Package” “Prints” “Plaques” or “Specialty Item”
4. Click “**Add to Cart**”
5. Click “**View Cart**” then “**OK**”
6. Under the first displayed photo image click “**Review Photo**”
7. Adjust crop or leave as is, and Click “**Save**”
8. If you want a different photo for that print size option Click “**Change Photo**” you will be directed back to the Gallery. Choose the new photo you want, Click “**Select Photo**” it brings you back to the ordering screen you were on previously.
9. If Image and Crop are OK, Click “**Save**”
10. Do this for each image unless it is one that you have already reviewed, you do not need to “Change Photo”. If you need to “Change Photo” go back to step 8.
11. Once done reviewing your images and sizes, on Right Side of Page, Click “**Check Out**”
12. **NOTE** The Memory Mate Photo (Premade photo with individual and team photo on one photo) Needs to be selected from the Gallery and put into an 8x10 image node. It cannot be printed in any other size than an 8x10, ONLY 8x10  
**Just for Clarification purposes.** If you chose Pkg D - Includes Premade Memory Mate and 8 Wallets - you need to select an individual photo for the wallets (put it in the wallet Node) and select the Memory Mate photo from the gallery and place it in the 8x10 node of the package. This is the same **Example of Memory Mate** for all packages. You have the option to select from different poses.
13. Any problems? Call Herrmann Studio at 716-632-0473 before ordering, we can help you out. Thank you for ordering
