This year at our showcase we will be collecting items to donate to a local homeless shelter and food pantry.

Since admission into our showcase is free, we ask that all guests attending participate.

Help us teach our athletes and families, about giving back to the community. Anything will help.

Things to donate: Non perishable items, canned goods, personal items like, socks, deodorant, feminine products, tooth brushes, tooth paste, hats, gloves, scarf's & more. In advance thank you for your support.
